

OPEN HOUSE

The Town of Little River is in the final stages of updating its comprehensive plan and would like to give you an opportunity to review materials and provide input.

This comprehensive plan for the Town of Little River is an important long-range planning and policy tool to assist with decision-making from 2026 through 2046.

The purpose of this plan is to guide development by reflecting the community's shared vision and priorities for future growth.

WEDNESDAY

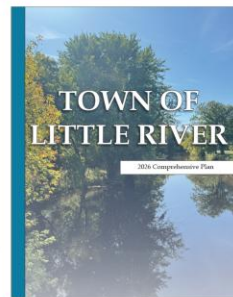

JULY
22

LITTLE
RIVER
TOWN
HALL

6:00 PM -
7:00 PM

An online version of the Town of Little River Comprehensive Plan is accessible at <https://tinyurl.com/townoflittleriver> or by scanning the QR code below using your mobile device.

**Limited 'read-only' copies will be available during the event.*

The Bay-Lake Regional Planning Commission assisted the Town with the development of its long-range plan.
